

FUN FARE AT 1992 KOPS FUNDRAISER

The Fundraiser for the Neartown Police Community Centre at the Quilted Toque was great fun for the party goers and a tribute to those who worked to make the party a success. Supporters of 802, from folks in the civic associations, to Montrose business people were there. The party looked like a who's who in Montrose. Then there were our friends from City Hall: Vince Ryan, George Grearias, and Eleanor Tinsley. Police Chief Sam Nuchia, Capt. George Buenik, Lt. R. J. Klezynski, and the officers who staff 802 and serve our neighborhood were present. Those who made the evening an outstanding success were:

POLICE STOREFRONT GETS A \$4000 BOOST

They're still counting the money from the June 4 Fundraiser for our HPD storefront at 802 Westheimer, but the largest single contribution was a \$4000 surprise made by Jerry Hall, president of PSA Temporaries. Jerry, who is a candidate for state representative District 137, became aware that the storefront was funded by the community at the annual Neartown party in January and heard the concerns about the ongoing funding from 802 officers. He was, at that time, planning an annual employment fair for the general public, which he has conducted since 1989 and committed to donate all proceeds exceeding his expenses to the Neartown Police Community Centre. Lucky for us it was the biggest success yet, and true to his word, Jerry Hall presented a check for \$4,000 to Sgt. Chuck Jackson at the fundraiser party on June 4.

Five-hundred-plus residents and business owners like Jerry, came out to the jazzy party at the Quilted Toque Cafe & Bar to show HPD that we care about our neighborhood police storefront and are committed to the security and welfare of our Neartown neighborhoods!
