Mr. Jerry Hall  
ADR Services International  
6429 Richmond, Ste. 675  
Houston, TX 77057

Dear Mr. Hall,

I wanted to take this opportunity to thank you for alerting me to the flaws in the selection of City of Houston Temporary contractors. As someone who has participated in the selection process for the past several years, you were perfectly positioned to recognize some of the problems inherent in the process. As a result of your diligence I was able to raise some concerns at the Council table and the City is now in a position to realize a significant savings. I am certain that the taxpayers of Houston would greatly appreciate your efforts, as do I.

Please do not hesitate to contact my office again if we can be of any service.

Sincerely,
