Austin, Texas 78768-2136

Dear Governor Bush:

It is with pleasure that I recommend Jerry Hall to you for a position on the Texas Employment Commission.

I know Jerry personally as a hard-working, grass-roots Republican and dedicated community activist. As an owner of a small business, the knowledge and experience he would bring to the Commission would be of great benefit to our state.

Thank you very much for your help and consideration.

Sincerely,

*Beverly Woolley*
