Mr. Clay Johnson  
Governor's Office of Appointments  
State Capitol  
Austin, Texas 78711

Dear Clay:

This letter will serve to recommend Jerry Hall to Governor Bush for consideration as an appointee to the Texas Employment Commission.

You will see by the enclosed resume that he is highly qualified for the position. The State of Texas would benefit from his expertise and talent. I can personally vouch for his integrity and loyalty.

Jerry has my highest recommendation. The Governor's consideration of my constituent will be greatly appreciated.

Sincerely,

JEB:jj
