The Honorable George W. Bush
Governor
The State of Texas
Austin, TX 78701

Dear Governor Bush:

I understand that Mr. Jerry Hall is interested in a position to the Texas Employment Commission when an opening occurs in February, 1995. Mr. Hall has over twelve years experience as President and CEO of a successful personnel firm and is knowledgeable in the area of employment. He established the first city sponsored Employment Fairs with the end result that 6,000 people were hired in one day. I believe Mr. Hall has a unique perspective that he would bring to the TEC. Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Peggy Hamric".
