Dear Jerry:

Please receive my warm regards which I extend to you with this letter.

I enjoyed visiting with you today at the Petroleum Club during the meeting of the Houston Republican Forum.

Your knowledge of various computer applications and the implementation of this technology in my office is extremely interesting to me and I look forward to meeting with you at your office to further discuss this technology.

My executive secretary, Monica Luedecke, will be contacting your office to schedule an appointment.

Jerry, please let me know if I can be of service to you in any way.

As always, I remain,

Sincerely yours,

Steven F. Hotze, M.D.
