

TALMADGE HEFLIN
TEXAS HOUSE OF REPRESENTATIVES

January 25, 1995

Mr. Clay Johnson
Office of Governor George W. Bush
Capitol Extension, Room E1.008
INTERAGENCY MAIL

Dear Mr. Johnson:

It has come to my attention that Mr. Jerry Hall of Houston is seeking an appointment to the Texas Employment Commission. This is a letter of recommendation in support of Mr. Hall.

Jerry's well-documented skills and experience in personnel and employment matters, of which I'm sure you have become aware, would be an asset to Texas and the Bush administration.

Furthermore, as a hard-working and loyal Republican, I know Jerry is eager to serve the governor's purposes in any way the governor sees fit. I hope that his desire for public service and his qualifications can be taken advantage of.

Please feel free to contact me with any questions or comments you have. Thank you for your consideration; I look forward to working with you on matters of mutual interest.

Sincerely,

A handwritten signature in cursive script that reads "Talmadge Heflin".
