The Honorable George W. Bush  
Governor-Elect of the State of Texas

Dear George:

Once again, congratulations on your resounding victory.

I wanted to call to your attention a letter & resume that was sent to your Transition Director Clay Johnson by Jerry Hall. Jerry is specifically interested in serving as a member of your transition team.

Jerry played a key role in my campaign and I feel strongly that he would be an asset to your team. Jerry is interested in using his twelve years of experience as President and CEO of a successful personnel agency in helping Clay assemble the key players in your administration.

Thank you for your consideration of Jerry Hall, and please feel free to call me if you have any further questions.

Sincerely,

Kay Bailey Hutchison

*Jerry is very loyal - really terrific.*
